61 Lordou Vironos Street, 6023 Larnaca, Cyprus

Website: <https://www.hostinger.com>

Phone: +357 24030107

The hosting infrastructure meets international standards of data protection, continuity, and availability. Data is stored securely in European data centers compliant with ISO 27001 and GDPR.

### 4. Intellectual Property

All content on this website including texts, graphics, images, logos, videos, icons, animations,

source code, and layout is the exclusive property of CISCODE SARL or its authorized partners.

Any total or partial reproduction, modification, adaptation, translation, or distribution of the website's content, by any means, is strictly forbidden without CISCODE's prior written consent.

All trademarks and logos mentioned are registered and protected by their respective owners.

## **5. Personal Data Protection**

CISCODE is committed to ensuring the confidentiality and protection of personal data in compliance with:

The General Data Protection Regulation (EU) 2016/679 (GDPR)

The Moroccan Law No. 09-08 on personal data protection

Collected data may include personal, professional, or technical information provided via contact forms, job applications, or website analytics tools.

For more information, please refer to our detailed Privacy Policy.

## **6. Liability**

CISCODE takes great care to ensure that the information published on this website is accurate, up to date, and relevant.

However, the company cannot guarantee the completeness or absolute accuracy of the content and cannot be held liable for:

Direct or indirect damages resulting from access to or use of this site

Temporary unavailability of the website

External links leading to third-party websites, over which CISCODE has no control

Users remain fully responsible for how they use the information available on the site.

## **7. Accessibility & Security**

CISCODE aims to make this website accessible to all users, including those with disabilities, in line with international Web Content Accessibility Guidelines (WCAG 2.1).

We also implement strong cybersecurity standards to protect user data and maintain service continuity, including HTTPS encryption, intrusion detection systems, and real-time monitoring.

## **8. Applicable Law & Jurisdiction**

These legal notices are governed by Moroccan law.

Any dispute arising from the use or interpretation of this site will fall under the exclusive jurisdiction of the competent courts of Tangier, Morocco.

If the website is accessed from outside Morocco, users are responsible for ensuring compliance with their local laws.

## 9. Contact Information

For any inquiries regarding this website, data protection, or legal matters, please contact:
